

12110 Business Blvd, Ste 6 PMB 165, Eagle River, AK 99577

Thank you for your support and participation in our Wine and Beer Tasting Fundraiser last month. It was a soaring success!

Our board has worked closely with our legal team and have completed a first draft of petition, legal brief, and charter. All have been turned into the Local Boundary Commission staff for an informal review. This review concluded last week, and we are back working with our legal team to prepare the petition for the collection of signatures. This will take some time and money for legal team and consultants. Thank you for your continued support. This would not be possible without you.

We are having monthly public meetings on the third Tuesday of the month. No public meeting in December. **Our next public meeting will be Tuesday, January 16 in the Hilcorp classroom at the Birchwood Recreation and Shooting Park at 7pm. Address is 20269 Birchwood Spur Road, Chugiak AK 99567.**

We want to wish you all a very Merry Christmas and a Happy New Year.

Your support motivates our volunteers to keep working on giving our citizens the opportunity to vote whether to let Anchorage rule our communities or give our communities their own governance. A government that truly is representative of our communities. A government made of representatives from our local communities making local choices about our roads, parks, businesses, public safety. Most importantly, WE want our communities to control our own education system in AD2.

Please consider supporting the creation of the next new borough in Alaska. As anticipated by our founders, when communities grow and are ready to become independent, it is right that they do so. ***It takes all of us!***
