---

Spring has sprung, and summer is on the WAY!

The Eaglexit board has been laser focused on completing a petition, charter, and legal brief that we can submit to the Local Boundary Commission for review. With a good review we plan on collecting signatures this summer. We are so thankful for all the folks that have worked so hard to get us to this point. We are thankful for all our community that has been so supportive.

Thanks to all your support and contributions, the petition, charter, and legal brief are with the legal team for final review, making sure it will withstand all the tests and challenges ahead. We will need your support to continue to pay the our lawyers and consultants.

You are invited to a special event we are hosting at the Lion's Club on Friday, June 16th at at 7:00 pm. We will be addressing our progress and answering your questions and concerns. We hope to see everyone in the Chugiak fourth of July parade. We will have a booth at the Bear Paw and will be looking for helpers for the Bear Paw Parade. Let us know your ideas!

Many people have implored us to detach quickly as they witnessed the current actions by our Municipality of Anchorage Assembly and the Anchorage School Board. We implore you to get involved. This is the most complex boundary change in the history of the State of Alaska. It will impact 40% of the state's population. It will impact over 50% of the MOA's geographic jurisdiction.

We urge everyone to get involved. Ignorance and apathy can have a significant negative impact on our lives, especially when it comes to politics. It's time for all of members of AD2 to take an active role in shaping our community's future, and that starts with educating ourselves and engaging in political discussions and activities. As always more information about the efforts of Eaglexit can be found on our web page at [www.eaglexit.com](http://www.eaglexit.com).
